Dear Mr Bryce

**ENVIRONMENTAL IMPACT ASSESSMENT (SCOTLAND) REGS 1999 –
REDEVELOPMENT OF ROYAL ORDNANCE FACTORY, BISHOPTON (ADDENDUM 3)**

I refer to your letter dated 22nd September 2008 requesting our views on the addendum to the above application. Historic Scotland's views have been sought on this application in our role as a statutory consultee, on behalf of Scottish Ministers, under the EIA regulations on the adequacy or otherwise of the Environmental Statement (ES). We therefore have the following comments to offer.

We note that the changes outlined within the addendum do not materially alter the impacts of the proposal on our statutory interests and that consequently the relevant chapter of the ES has not been updated. We therefore have no further comments to add to those outlined in our letter dated 18th August 2006.

Finally, should you wish further clarification on any issue in this letter the officer for this case is Andrew Stevenson and can be contacted at andrew.stevenson2@scotland.gsi.gov.uk or 0131 668 8960.

Yours sincerely

William Kidd
