**TOWN AND COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURES)  
(SCOTLAND) ORDER 1992**

I acknowledge receipt of the TR/NPA/1 consultation form for the above noted planning application which was received on 24 October 2006.

I am currently assessing the implications of the planning application on the trunk road but will not be able to respond within the normal timescale for the reasons stated below. I should therefore be obliged if you would extend the consultation period until this process is completed.

Reasons for Seeking Extension

Transport Assessment (TA):

~~Is required from the applicant/applicant's~~

√ Requires to be audited by TRNMD's term consultant

**Until the formal issue of a TR/NPA/2 this Notice must be taken as intent to respond recommending conditions relating to this application, or to refuse the application. On this basis the interest of the Scottish Executive as a Statutory Body must be taken into account.**

Signed.....
